Welcome to Albert Road, Southsea

Albert Road Traders was formed in 1995 when the organisation worked in conjunction with The Central Southsea Retailers Association, to produce a guide to shopping, eating out and entertainment in Southsea. It continued until 1999 when it lapsed and was then reformed in 2001 as (ARTA) Albert Road Traders Association. The association operates 365 day a years on behalf of traders and residents. In 2006 ARTA became a 'Not For Profit' organisation created to work with other agencies to develop and encourage new and exciting projects to stimulate creativity, growth, progress and success within our unique shopping area, as well as remaining faithful to our origins of supporting good working practices, combating crime and disorder for the benefit of the local community.
